

Dear Valued Customer

September 2020

**Notice for discontinuation of P/AMEC-C / P/A/DSEP-C/CW controller**

Thank you for your continued support of IAI Corporation.

We appreciate your loyal patronage towards the P/AMEC-C / P/A/DSEP-C/CW controller over the years.

Ten years or more has passed since the release of this controller, and the main electronic components used for this have been discontinued. Accordingly, we will discontinue the production in September 2021.

We apologize for any inconvenience that this may cause you, and we are appreciative of your understanding in this matter.

Best Regards

Details

- |                               |  |
|-------------------------------|--|
| 1. Applicable Models:         | PMEC-C, AMEC-C<br>PSEP-C/CW, ASEP-C/CW, DSEP-C/CW  |
| 2. Reason of Discontinuation: | Ten years or more has passed since the release of the applicable controller, and the main electronic components (CPU and ceramic capacitor) mounted on the board have been discontinued. Accordingly, it became difficult to replace those components. |
