

Dear Valued Customer

October 2020

Notice on Discontinuation of CON-T/TG/TGS / SEL-T/TD/TG Teaching Box

Thank you for your continued support of IAI Corporation.

We appreciate your loyal patronage towards the CON-T/TG/TGS / SEL-T/TD/TG teaching box over the years.

Unfortunately, we will discontinue the production in June 2021.

We apologize for any inconvenience that this may cause you, and we are appreciative of your understanding in this matter.

Best Regards

Details

1. Applicable Models: CON-T, CON-TG, CON-TGS
SEL-T, SEL-TD, SEL-TG
2. Reason of Discontinuation: This teaching box is based on a teaching box by IDEC. Currently, IAI is the only manufacturer which uses the teaching box.
Also, it is unclear whether the teaching box is compliant with RoHS 2.
Going forward, replacement with a successor model, touch panel teaching box TB-02 which offers higher performance, is recommended.
3. Order Cutoff Date: June 30, 2021
4. End of Service Period: July 30, 2025
However, we may stop servicing once we are out of the parts in stock for the discontinued products prior to the end of service period.
Please refer to our website for the service availability.

Website: <http://www.iai-robot.co.jp/product/discontinued/>

5. Replacement Teaching Box

Touch panel teaching box TB-02

(Note) The main body dimensions, performance and operation pattern are different from those of the discontinued model. Please refer to the catalog.
